

Dear Policyholder/Claimant:

You are about to complete our online General Liability Notice of Claim to report a loss for your Businessowner's Policy. Information gathered in this way expedites (but does not replace) the formal claims reporting process. Once this form has been completed, you should save a copy to either (1) upload the file by selecting **For Businesses>Info/Picture Upload** at [www.guard.com](http://www.guard.com) OR (2) e-mail the pdf to [claims3@guard.com](mailto:claims3@guard.com). (Printing the pages will not be possible.) Upon receipt by us, you can expect a Berkshire Hathaway GUARD Representative to be contacting you in the near future to complete the process and get the official paperwork filed on your behalf.

Reminders:

- Report all claims promptly to us immediately upon learning of a loss. Timing is critical in securing evidence!
- Set aside and preserve any and all closed-circuit TV video for the entire date of the loss. (If you simply identify the equipment you utilize, we will have someone come to you to aid in saving the video).
- Photograph the location/scene of the occurrence as well as the injury (if possible) and save the images. (Remember, cell phone cameras can be helpful and are often readily available).
- Document the injured party's full name and contact information (i.e., address, phone number, etc.).
- Obtain a detailed description of the occurrence from the injured party and document any complaints of injury (making note of the body part).
- Record the name and contact information of any person(s) with the injured party.
- Document the names and contact information of everyone who witnessed the loss or came to the scene afterwards.
- If the weather conditions played a role in the loss, include the circumstances in your report.
- Document any factors (such as foreign substances) that may have contributed to the loss.
