

Billing, Collection, & Bookkeeping Services PROFESSIONAL LIABILITY

Like other professionals who provide a service, billing, collection, and bookkeeping agencies are at risk for liability exposure. An unintended error or omission while performing the job could compromise a client's data, and thereby, bottom line, or even result in a regulatory violation. Due to perceived—or real—negligence (as a result of insured services), a dissatisfied customer's allegation can quickly turn to litigation, putting a business owner's finances and reputation in danger. Our **Billing, Collection, & Bookkeeping Services Professional Liability** coverage can help by providing peace of mind about these uncertain circumstances, allowing our clients to stay focused on what they do best!
