

LAWYERS

Professional Liability/E&O

Like other professionals who provide a service, lawyers are at risk for liability exposure. An unintended act, error, or omission while performing the job could impact the outcome of an important lawsuit, cause undue hardship for a client, or result in a malpractice claim against the firm. Due to perceived or real negligence (as a result of insured services), a dissatisfied customer's allegation can quickly turn to litigation, putting a business owner's finances and reputation in danger. Our **Lawyers Professional Liability** coverage can help by providing peace of mind about these uncertain circumstances, so . . . our legal clients can concentrate on winning their next case!
